IMPORTANT hoopla® ANNOUNCEMENT

What?

Starting the evening of October 31, 2024 Hoopla content will no longer be available to Rawlins Municipal Library patrons.

Patrons do not need to cancel or delete Hoopla access; it's availability will disappear.

Those who are members of another library or library system that offers Hoopla, can access it through that membership.

Why?

Rawlins Municipal Library began offering Hoopla in January of 2024 as a pilot program to provide streaming music and movies. Since starting Hoopla, the costs associated with the service have risen steadily.

Although it is free for patrons to use, Rawlins Library gets charged for every item a patron checks out. We believe the pricing model and cost of Hoopla make it unsustainable; the library will reallocate our resources to other digital content.

Now what?

While patrons will no longer be able to access Hoopla, they will still be able to access content from OverDrive/Libby.

If there were titles carried by Hoopla that aren't available through Overdrive/Libby, you can recommend those for purchase by contacting us at rawlinslibrary@ci.pierre.sd.us or 605-773-7421.
